Specialist Hydraulic Motorcycle Lift

GARAGE EQUIPMENT
since 1922

→ About the SF/8794/EH

The SF/8794/EH motorcycle lift from Tecalemit provides a high quality, low cost solution for motorcycle servicing and repairs. The removable rear plate allows easy access to the rear wheel and the heavy duty chequer plate reinforcement for the centre stand ensures the bike is stable when raised.

The SF/8794/EH has a lifting capacity of 600kg suitable for larger touring bikes. The platform dimensions provide a generous working area for even the largest motorcycles without impeding access. Supplied with a mechanical safety device and hydraulic safety device in case of failure of hydraulic hose.
