

Duro 4.5t 4.8m

Class 4 ATL & OPTL Lift

GARAGE EQUIPMENT
since 1922

Part No.: SF/9094/EV

*See overleaf for
more information*

- Suitable for Class 4 ATL & OPTL MOT testing
- Flush fitting radius plates and wheel play detectors
- Electronic platform synchronisation
- Pneumatic safety latching system for easier servicing and reliability
- Wheel alignment options
- Integral wheel free lifting options

Duro 4.5t 4.8m

Class 4 ATL & OPTL Lift

GARAGE EQUIPMENT
since 1922

→ About the SF/9094/EV

The SF/9094/EV range of Class 4 ATL lifts provides the complete solution for workshops testing a broad range of cars and light goods vehicles. Benefiting from flush-fitting radius turning plates and wheel play detectors this lift is the complete solution for one person MOT testing.

The SF/9094/EV can accommodate most cars and light goods vehicles up to a gross vehicle weight of 4500kg, creating a highly productive work bay. The SF/9094/EV also provides lift platform options for wheel alignment work, including rear-wheel slip plates and an integrated wheel-free scissor lift system.

The SF/9094/EV is designed primarily for installation into a floor recess, this should be prepared to Tecalemit specification. The lift requires a 3ph power supply via a 20 amp fused isolator.

→ Technical Specifications & Dimensions

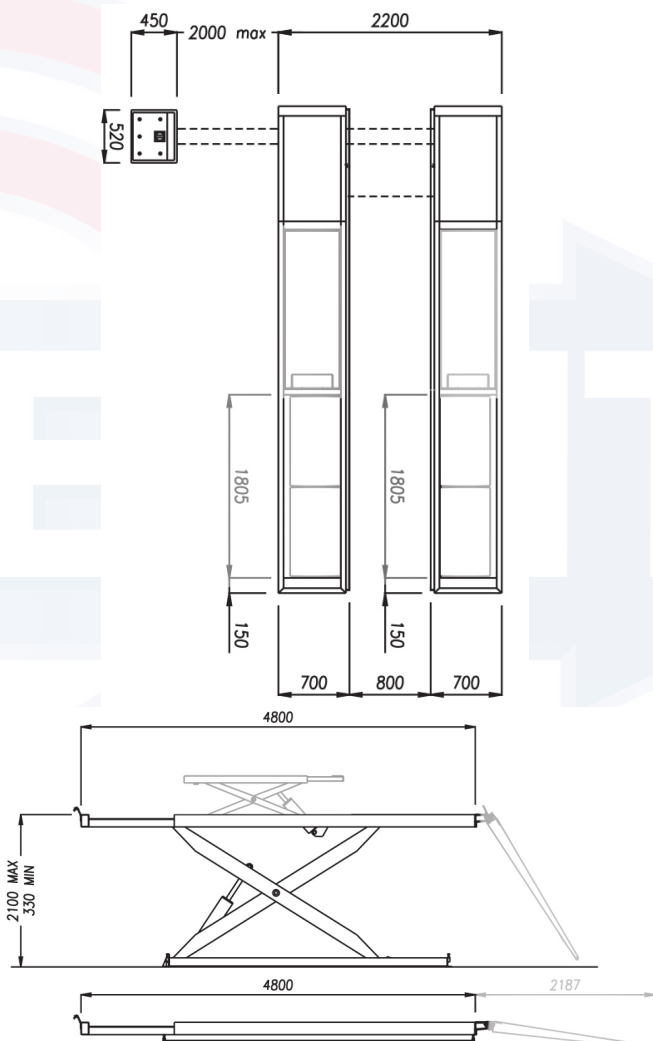

Height min.....	330mm
Raised height.....	2100mm + (565mm)
Motor supply.....	400V 3kw /3ph - 50Hz
Maximum load.....	4500kg
Lifting/lowering time.....	40 secs
Platform length.....	4.8m
Operation.....	Electro-hydraulic
Pneumatic Feed (<i>wheel alignment versions only</i>).....	6-8 Bar

→ Part Nos. & Ordering Information

4.5t ATL Lift 3ph.....	SF/9094/EV
4.5t ATL Lift 3ph with rear side slip plates for wheel alignment.....	SF/9094/EV/4
4.5t ATL Lift 3ph with auxiliary liftsSF/9094/EV/5
4.5t ATL Lift 3ph with auxiliary lifts & rear side slip plates	SF/9094/EV/6

→ Options & Accessories

2.0t capacity hydraulic jacking beam.....	SS/8829/KIT
2.0t Jacking Beam (pneumatic).....	SS/8829/P
Air Supply Kit for pneumatic jacking beams.....	OA/62335
Cross beam member (pair) for aux. lift.....	OA/61130
24V LED Lighting Kit.....	OA/60589
