Leviathan 12t 4 Post Commercial Vehicle Lift

GARAGE EQUIPMENT
since 1922

→ About the SF/9128

The SF/9128 commercial vehicle lift from Tecalemit is a compact commercial vehicle lift suitable for lifting a broad range of smaller commercial vehicles and tractor units. The wide access onto the lift platform of 2,920mm and drive through width between the columns of 3,300mm ensures easy access for most vehicles. The overall platform length of 8,430mm allows vehicles with long wheelbases to sit comfortably on the lift platform.
