

Quadra 4.0t 4.8m Wheel Alignment Lift

GARAGE EQUIPMENT
since 1922

Part No.: SF/9008/4

See overleaf for more information

- Generous platform dimensions
- Precision, mechanical latching system
- Suitable for use with CCD & laser alignment systems
- Hydraulic and mechanical safety systems, 24V controls
- Suitable for use with cars & vans

Image shows the SF/9008/4 installed together with the GTR/8400 3D Wheel Alignment system

Quadra 4.0t 4.8m Wheel Alignment Lift

GARAGE EQUIPMENT
since 1922

→ About the SF/9008/4

The Quadra 4.0t wheel alignment lift SF/9008/4 is a 4 post lift developed for use with CCD and laser wheel alignment systems. The lift incorporates heavy duty, ball bearing mounted rear wheel slip plates; these enable adjustments to be made to rear wheel geometry settings without the need to re-set the vehicle between measurements. The front of the lift platform has recesses suitable for radius turning plates (not included - see options & accessories).

The SF/9008/4 has a complete range of safety systems including an audible alarm during the final stages of descent, hydraulic 'parachute' valves and electronically operated mechanical safety latches. Power supply is 3ph 400V 50Hz via a fused isolator. A rail is fitted to the inner platform for installation of a jacking beam, if required.

→ Technical Specifications & Dimensions

Platform height min.....	190mm
Raised height.....	1750mm
Motor supply.....	2.2kW
Power supply.....	3ph 400V/50Hz
Maximum load.....	4000 kg
Lifting time.....	50 secs
Lowering time.....	45 secs
Net weight.....	1050kg
Operation.....	Electro-hydraulic

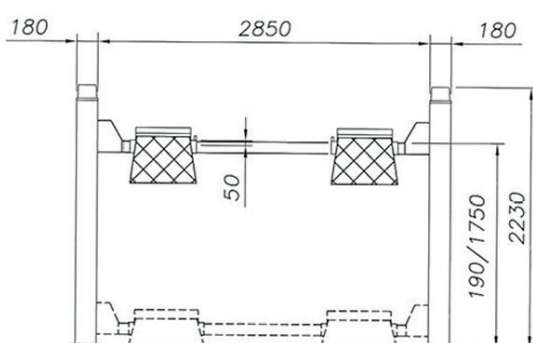

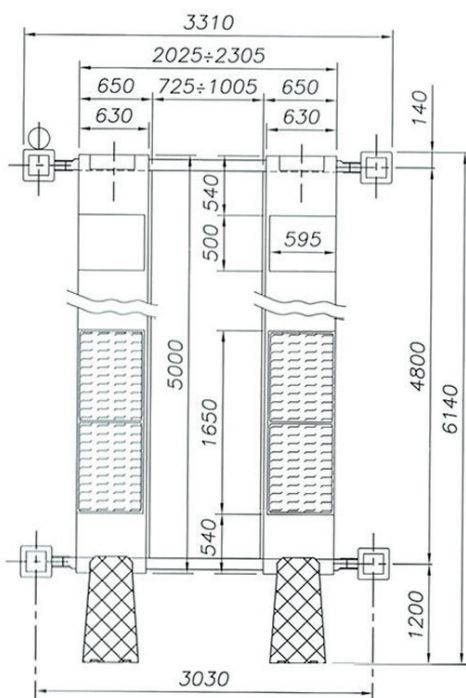

→ Part Nos. & Ordering Information

Quadra 4.0t Wheel Alignment lift 3ph.....	SF/9008/4
Quadra 4.0t Wheel Alignment lift 1ph.....	SF/9008/4/1

**For recessed installation, add /REC to part number*

→ Options & Accessories

2.0t Jacking Beam (manual).....	SS/8829/KIT
2.0t Jacking Beam (pneumatic).....	SS/8829/P
Air Supply Kit for pneumatic jacking beams.....	OA/62335
24V LED Lighting Kit.....	OA/60342
Drive-through Kit (surface mounted).....	OA/60395
Drive-through Kit (recessed).....	OA/60394
Recessed Radius Plates.....	OA/60292
Infill kit for OA/60292.....	OA/60295
Floor Plate Kit.....	OA/60053
