

# TIRO Plus Automatic Tyre Changer with 3 Assist Arms

GARAGE EQUIPMENT  
since 1922

Part No.: TTC/TIROPLUS/1

See overleaf for more information

- ▶ Automatic tyre changer for car and van wheels including Run-flat tyres
  - Easy to use on tyres with minimal side-wall flex.
- ▶ Pneumatic operation of column and arm locking
  - Effortless operator configuration for a range of tyre sizes
- ▶ Robust construction eliminates chassis flex and tyre/rim damage
- ▶ Versatile table clamping ranges with adjustable jaw spacing
  - Accommodates both small and large rims.
- ▶ Three assist arms reduce operator manual effort
  - TIROROLLER – Assists with the removal of the tyre from the rim and maintains the tyre at the correct angle during fitting
  - TIROFOLLOWER – Assists with maintaining the tyre bead in the well of the wheel when fitting. Follows the wheel rotation through the fitting cycle
  - TIROLIFTER DISC – Assists with the lifting of the lower bead during tyre removal

# TIRO Plus Automatic Tyre Changer with 3 Assist Arms

GARAGE EQUIPMENT  
since 1922

## ► About the TTC/TIROPLUS

The TTC/TIROPLUS automatic tyre changer provides the proven performance required in modern, demanding tyre shops.

The TTC/TIROPLUS has three assist arms to effortlessly fit reduced flex tyre side walls featured on Run-Flat and low-profile tyres.

The bead breaker provides a generous capacity for larger-diameter wheels and extended clamping jaws, which can safely accommodate a broad range of wheel designs.

The TTC/TIROPLUS features a pneumatically controlled tilting column. The heavy-duty construction of the column and frame of the machine ensures good head stability whilst in operation.

## ► Technical Specifications
