Quadra 5.0t 5.7m Service & MOT Lift

GARAGE EQUIPMENT
since 1922

→ About the SF/9257/NPD

The 5.0t Quadra SF/9257/NPD service lift has been developed specifically to meet the need to service longer wheelbase vehicles. The SF/9257/NPD lift incorporates a comprehensive range of safety features to ensure operator peace of mind and is suitable for use as part of a Class 4 or 7 MOT test lane. The lift platform, cross members and columns are manufactured from top grade materials to ensure longevity and performance. The lift conforms to EN 1493 and CE requirements for lifting equipment.

→ Technical Specifications & Dimensions

Minimum height.....	155mm
