

Car Brake Tester for UK MOT Testing of Class 3 & 4 vehicles

GARAGE EQUIPMENT
since 1922

Part No.: DE/9426

See overleaf for more information

- DVSA Approved for Class 3 & 4 MOT Testing
- Split roller bed - 2,500kg axle capacity
- Long-life epoxy corundum roller coating
- Low ratio for easy exit from rollers
- Available for both standard and ATL testing
- Axle weighing on ATL specification
- Hi-intensity LED display screen

Car Brake Tester for UK MOT Testing of Class 3 & 4 vehicles

GARAGE EQUIPMENT
since 1922

→ About the DE/9426

The DE/9426 split bed brake tester, operated via infrared remote control, is easy to use and highly accurate. The fully approved DE/9426 can be used for Class 3 & 4 MOT tests, including 3-wheeled and 4X4 vehicles, subject to the vehicle manufacturer's specifications.

The brake tester is fully PC controlled and easily upgraded to include Tecalemit's emissions testing system. The fully galvanised, split roller bed sits flush in the workshop floor and is supplied with roller covers for safety and protection when not in use. A sensor also prevents the rollers from operating without a vehicle being present.

The DE/9426 is specifically designed to fit into existing excavations for the Kismet / Laycock KBT1300 and Tecalemit DE/7200 series brake testers, so change-over may be a simple one day job.

→ Ordering your brake tester

Consult your Tecalemit technical representative to determine the most appropriate specification for your needs.

→ Technical Specifications & Dimensions

Max permitted axle load.....	2,500kg
Motors.....	2 x 2.2kW
Roller speed.....	2.7kph
Roller diameter.....	180mm
Roller length.....	600mm
Motor controls.....	Remote
Brake force display.....	Dual (left/right)
Wheel slip sensing.....	Autostop
Power requirement.....	1 ph 240V/50Hz/25A
240v Twin Socket.....	PC Console supply
240v Socket.....	LED Display supply

→ Accessories

Pedestal for Hi-intensity LED display.....	OA/60028/2
Inkjet Printer.....	OA/62355
Brake efficiency calculator.....	81611/864 /4
Wheel Chock.....	OA/6877
Vehicle weight wall chart.....	DE/12
Brake test record forms.....	FRM/571
