

Quadra 4.0t 4.5m Class 4 MOT Lift

GARAGE EQUIPMENT
since 1922

Part No.: SF/9006
*See overleaf for
more information*

- Suitable for installation into most existing floor recesses
- Compact overall dimensions
- Includes recessed radius turning plates
- Suitable for Class 4 MOT testing & general servicing
- Hydraulic & mechanical safety systems with electronic latching

Quadra 4.0t 4.5m Class 4 MOT Lift

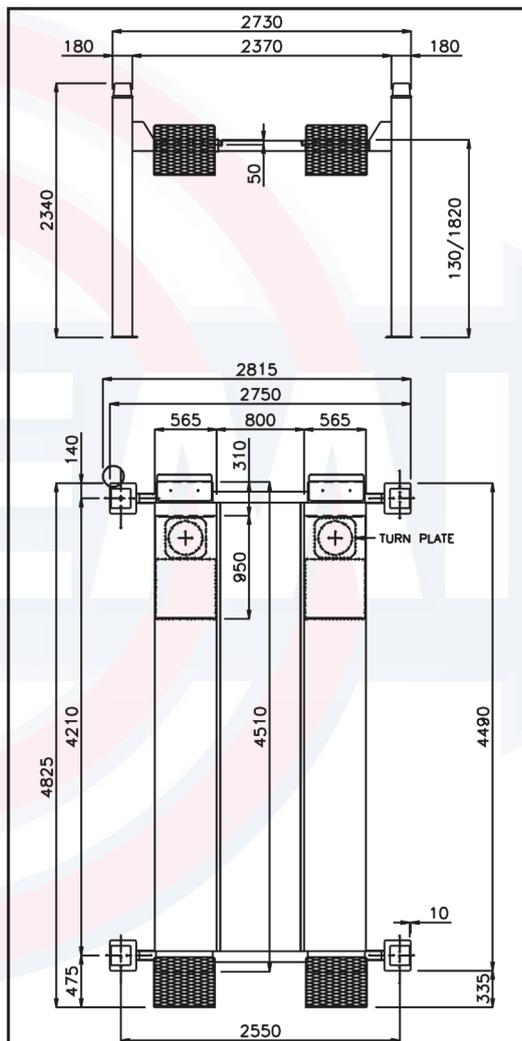

GARAGE EQUIPMENT
since 1922

→ About the SF/9006

The SF/9006 Class 4 MOT lift has been specifically developed for use in UK MOT test lanes. The lift offers a compact design which allows easy access for all vehicles and can be installed either into a floor recess or surface mounted. To assist with MOT testing, the lift platforms are manufactured with recesses for bearing type radius plates, a requirement for MOT testing.

In addition to its role in the test lane, the SF/9006 is also ideal for general servicing and repair work on passenger cars and car derived vans. The position of the right hand lift platform can be adjusted to give the optimum working space underneath the vehicle. The SF/9006 must be installed onto a level concrete surface of a minimum 160mm thickness and requires a 3ph power supply via a 20 amp fused isolator. A 1ph option is also available.

→ Technical Specifications & Dimensions

Minimum height.....	130mm
Raised height.....	1820mm
Motor supply.....	3.0kW
Maximum load.....	4000kg
Maximum lifting time.....	50 secs
Lowering time.....	45 secs
Net weight.....	.820kg
Power supply.....	3ph 400V 50Hz

→ Part Nos. & Ordering Information

4.0t Class 4 MOT Lift 3ph surface mounted with recessed radius plates.....	SF/9006
4.0t Class 4 MOT Lift 1ph surface mounted with recessed radius plates.....	SF/9006/1

**For recessed installation, add /REC to part number*

→ Options & Accessories

2.0t Jacking Beam (manual).....	SS/8724
2.0t Jacking Beam (pneumatic).....	SS/8724/P
Air Supply Kit for pneumatic jacking beams.....	OA/62335
24V LED Lighting Kit.....	OA/60342
Drive-through Kit (surface mounted).....	OA/60395
Drive-through Kit (recessed).....	OA/60394

Issue No.: SF/9006 Aug 2023
