- Suitable for lifting long wheel base light commercial vehicles
- Clear floor between lift columns
- Symmetric lifting arm design
- Hydraulic operation
- Wide access between columns
- Mechanical & Hydraulic safety systems

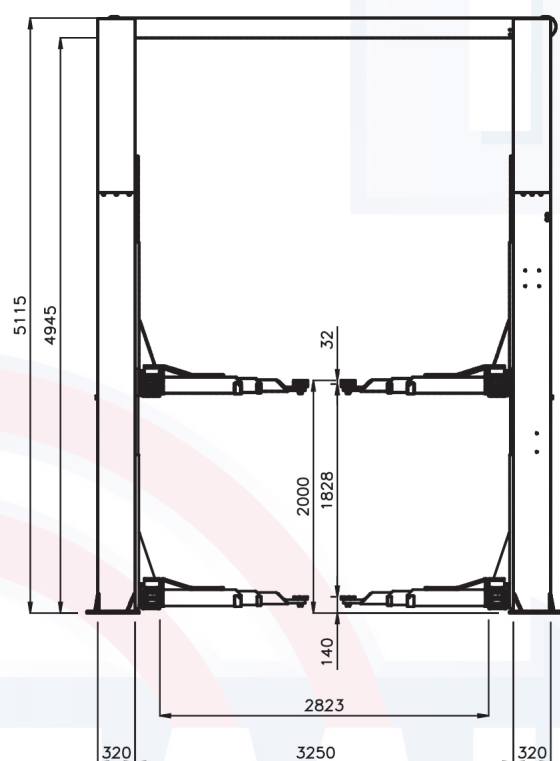

Sentinel 7.0t 2-Post Lift without base frame

GARAGE EQUIPMENT
since 1922

→ About the SF/2700

The SF/2700 has been developed to meet the growing requirement for space saving 2 post lifts for larger light commercial vehicles. The 7000kg capacity and symmetric arm design ensures that very large vehicles can be safely and securely lifted.

→ Technical Specifications & Dimensions

Pad height min.....	140mm
